RE: CANCELING CERTIFICATE

I spoke with Ms. Lori Franklin on March 3rd regarding this letter. Ms. Franklin advised me to send a written request to cancel the certificate on the pay phone I had. I no longer have a pay phone. It was taken out on June 17th, 1995.

I can be reached Monday thru Friday, until 7:00 p.m. at (904) 749-2715, if you have questions you may need answered.

Sincerely,

*Bryan Hires*

**FLORIDA PUBLIC SERVICE COMMISSION**  
Instructions For Filing Regulatory Assessment Fee Return  
(Pay Telephone Service Provider)

1. **WHOMUST FILE:** Each regulated company under the jurisdiction of the Florida Public Service Commission (Commission) must file for any part of a six-month period in which a certificate was active and which preceded either of the due dates reflected in the following paragraph.
2. **WHEN TO FILE:** To avoid payment of penalties and interest, this Regulatory Assessment Fee Return form must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, AND  
On or before January 30 for the six-month period July 1 through December 31.*

When July 30 or January 30 falls on a Sunday, remittance may be made on July 31 or January 31, respectively, without penalty.

3. **FEES:** Each Commission-regulated company shall pay the percentage referenced in the parenthesis on Line 5 of its gross operating revenues derived from intrastate business. (See Rule 25-4.0161(1), F.A.C.) Each Pay Telephone Service Provider may deduct the amounts paid for services to other telephone companies. Each Pay Telephone Service Provider is to include a listing of all amounts paid for services to other telephone companies where a deduction is taken. (Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida.) Do not consider any expenses, taxes, or uncollectibles in these amounts.
4. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 8). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 9).  
*When a company fails to file a Regulatory Assessment Fee Return, the Commission may order the Company to show cause why the company should not be assessed a penalty and/or why the company's certificate should not be canceled.*
5. **EXTENSION:** A company, for good cause shown in a written request, may be granted an extension for a period not to exceed 30 days. Such request should be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), in sufficient time to allow Commission action prior to the normal due date. If an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, or  
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a company may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the company shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

6. **AUTHORITY:** The authority to collect regulatory assessment fees is granted to the Commission by Sections 350.113, 364.336, and 364.337, Florida Statutes.
7. **REGULATORY ASSESSMENT FEE DUE:** Amounts are due and payable to the Commission within 30 days of the end of each period. If there are no revenues *OR* if revenues are insufficient to generate a minimum annual fee, on June 30, please reflect a "0" on Line 5 on the reverse side. A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.
8. **FEE ADJUSTMENTS:** Computation errors and/or differences in gross operating revenues reported for regulatory assessment fee purposes and those reported in the annual report may cause adjustments to amounts paid to the Commission. You will be notified as to the amount and reason for any adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment.
9. **MAILING INSTRUCTIONS:** Please complete this form, make a copy for your records, and return the original in the enclosed preaddressed envelope.
