Dear Mr. Ranney:

Re: Docket No. 960341-WS, Request for exemption from Florida Public Service Commission regulation for provision of water and wastewater service in Duval County by Riviera Parkway Apartments.

Staff has reviewed the above referenced filing for deficiencies and determined that the filing is generally complete. However, even though the application is requesting prorated rates, a schedule of the provider's current rates and charges should have been provided. When staff called the City of Jacksonville to request a rate schedule, the city's records indicated four master meters at the address given for the apartment complex: one 1" meter, two 2" meters and one 4" meter.

- 1) Please provide an explanation why the application only lists one 2" meter or a correction to the application.
- 2) Please provide a schedule of the City of Jacksonville's current rates and charges for Riviera Parkway Apartments.
- 3) Please provide a copy of one or more recent bill(s) from the City of Jacksonville as verification of the estimated monthly costs to be prorated to the residents of Riviera Parkway Apartments.

In order to process the application expeditiously, an original and four copies of the information requested above should be filed by May 31, 1996 with the:
