RE: DOCKET NO. 960901-EI - Complaint of Serge Piquion against Florida Power & Light Company regarding current diversion backbilling.

Issue 1: Recommendation that there is sufficient evidence to believe that electricity was diverted to the residence of Serge Piquion at 19354 NW 28th Ct., Opa Locka, Florida 33055. Prima facie evidence of meter tampering outlined in FPL's reports makes it reasonable to believe meter tampering occurred at Mr. Piquion's residence. As the customer of record during the entire period, Mr. Piquion should be held responsible for a reasonable amount of backbilling.

**APPROVED**

Issue 2: Recommendation that Florida Power & Light's calculation of a backbilled amount of \$6,785.89 for unmetered electric usage, plus a \$314.99 investigation charge, for a total of \$7,100.88, is reasonable.
