Dear Public Service Commission:

You sent us a notice stating you had not received our 1996 regulatory assessment fee. We had GTE disconnect the phones in November of 1996 and have not collected any money out of them since then. We are presently selling the phones. That is why we did not pay for a license for this year. We do not need a license for this year because we are not in that business any more. You requested that I notify you of this in writing so here it is. Enclosed is the 59 dollars we owed you as of November 1996.

Sincerely

Elizabeth Hensley
