RE: Docket No. 970657-WS - Application for amendment of Certificates Nos. 480-W and 416-S to add and delete territory in Charlotte and DeSoto Counties by Lake Suzy Utilities, Inc.

On July 29, 1997, the Board of County Commissioners of DeSoto County, Florida filed an objection to the application of Lake Suzy Utilities, Inc. for an amendment of its certificates in Docket No. 970657-WS. In its objection, the Board alleges that it never received notice of Lake Suzy's application as required by Section 367.045(2), Florida Statutes. I subsequently spoke with the secretary of Mr. Bob Koncar, County Administrator, as well as Mr. Frederick Bechtold, attorney for DeSoto County. Both individuals indicated to me that the Board of County Commissioners' correct mailing address is 261 East Oak Street, Arcadia, Florida 34266. I was informed that the address currently listed on the Commission's Master Directory is the address for the Clerk of the Circuit Court. Therefore, the address should be changed to reflect the address for the Clerk, Board of County Commissioners for DeSoto County at your earliest convenience.
