Good morning, Linda. I'm not sure you are the correct person to contact. In fact, RAR may not need to know at this point. If not, just discard.

Jerry La Quiere d/b/a Award Enterprises applied for an ALEC certificate and was assigned the above docket number. Monday, we received a letter from him advising he had changed the name of his business to LEC-LINK. I called his office and explained that I needed a corrected application showing the new name and also told him he did not have to send us another check.

I wanted to let someone in your office know so that a new docket would not be opened. Can the docket title be changed to reflect the new name? Please call if you have any questions. Thanks!

Hi Paula. Yes, we can change the name per this email. And I'll put a note at the counter to be on the look out for corrected application. Is he sending it to your attention or directly to us?
