Re: Rainbow Springs Utilities L.C.
 Murrellton, Fl.

Application for Transfer of Majority
 Organizational Control

I object to the transfer of majority
 organizational control of Rainbow Springs
 Utilities L.C. because:

1. The notice provided to our customers does not indicate to whom control will pass
2. If control is permitted, could it result in rate changes by this predatory, private, held, public utility?
3. Is this a tax evading measure by this corporation?
4. The notice is not dated to allow objectors to comply within 30 days.
5. The Utility Company has not provided our customers any other documents, other than the attached, to indicate the ramifications of their intended transfer.

 Springs Utilities L.C.
