Re: Rebate on Utilities - Turkey Creek Utilities

Dear Ms. Xanders:

2

I am in receipt of your letter dated October 16, 1997. We are presently processing two accounts per day. We have been sending you more frequent reports as we progress and will continue to do so. We may be able to step up our pace to three a day in the near future, but in any event, we still plan to get through with the rebates in a couple of months. I hope this is satisfactory with you.

As far as the payment of \$1,314.74 to the City of Alachua, I will pull out the past correspondence and see if I can give you a better explanation so that you may understand it. I thought I had already done this since you and Mr. Jaeger were willing to accept it last December but the Commission balked. I will reply to this shortly.

Yours very truly,
