FPSC-RECORDS/REPORTING

Dear Ms. Hall:

As you know, on March 18, 1997, the Florida Public Service Commission ("FPSC" or "the Commission") voted in the above-referenced docket to require all local exchange companies ("LECs") in Florida to file certain information with the Commission regarding their pay telephone operations. The required filings are listed on page 7 of the staff recommendation that was taken up at the March 18th Agenda Conference. In addition to those items listed in the recommendation, the Commission added the requirement to file cost support for all rates charged to pay telephone providers. The LECs are required to make these filings with the Commission no later than March 31, 1997.

I am writing to request that your office provide me with copies of all the data filed with the Commission in response to its March 18th vote. It would be most appreciated if you could provide the copies at the same time or within a few days of the time they are filed with the Commission. I will enter into a protective agreement, if needed, in order to receive the information. I especially appreciate your willingness to work with me without the need for me to serve formal discovery on your company, which I believe would only bog down the process for both of us.

If this request presents a problem for you, please advise me immediately. Otherwise, I wish to thank you in advance for your cooperation and I look forward to receiving copies of your filings.

Sincerely,
