RE: Docket No. [REDACTED] Resolution of the Board of County Commissioners of Manatee County Declaring Manatee County Subject to the Provisions of Chapter 367, F.S. - Request for Exemption for Provision of Water and/or Wastewater Service by Saffold Farm

Dear Mr. Bowling:

This letter is a follow up to the telephone conversation we had Wednesday concerning some of the deficiencies in the application for landlord-tenant exemption filed for Saffold Farm in Wimauma. In accordance with Section 25-30.060(3)(e), Florida Administrative Code for a landlord-tenant exemption the applicant must submit a copy of a standard lease or rental agreement. During our conversation, you stated that the tenants were employees who paid rent, which included utilities, on a weekly basis. A letter stating the above rental parameters, including the official name of your utility system, would be acceptable in lieu of a lease.

The item indicated above is needed to complete the processing of your exemption application. Please mail five copies of the requested letter by January 30, 1998, to Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0873. Your cooperation in this matter is greatly appreciated. If you have any questions, please do not hesitate to contact me at (850) 413-6997.

Sincerely,

Stephanie Clapp
