Dear Mr. Walker:

Environmental Cost Recovery Clause Adjustment Audit Request

The Florida Public Service Commission will conduct an Environmental Cost Recovery Clause Adjustment audit in accordance with Commission audit procedures. Auditors may select one or more accounts for detailed examination. Access may be requested to documents and records supporting affiliate company transactions that affect regulated operations. Staff auditors may also request to review the firm's external audit working papers for the most recent independent audit. Kathy Welch, the district office supervisor, (305) 470-5602, will coordinate this audit.

Rule 25-6.014(5), F.A.C., states that, "Upon direction of the Commission, or in the performance of delegated staff duties, any member of the Commission may make at any reasonable time a personal visit to the utility's offices or other places of business, and may inspect any facility, records, accounts, books, reports, and papers of the utility which may appear necessary in the discharge of Commission duties. During such visits the utility shall provide the staff member(s) with adequate and comfortable working and filing space, consistent with prevailing conditions and climate and comparable with the accommodations provided the company's outside auditors".
