Re: Knology of Florida, Inc.

Dear Ms. Prewitt:

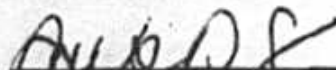

I appreciate your telephone call yesterday regarding additional information needed by my client, Knology of Florida, Inc. As we discussed, Knology of Panama City, Inc. currently holds both an ALEC and IXC certificate in the State of Florida. Those certificates are going to be assigned to Knology of Florida, Inc. Additionally, the certificates will need to reflect the new name of Knology of Florida, Inc. This change is being made to serve the public interest. Identification with Knology of Florida, Inc. will allow the company to more efficiently serve any and all future customers in the State of Florida. Furthermore, this change will simplify central operations for the company in the State of Florida. At this time Knology of Panama City, Inc. does not have any telephone customers, therefore, the change will be of no effect to the public.

Any and all inquiries regarding this application or the tariffs submitted should be directed to Bruce Schoonover, Post Office Box 510, 1241 OG Skinner Drive, West Point, Georgia, 31833, 706/645-3966 (fax number is 706/645-3921). Any and all customer complaints should be directed to Bruce Schoonover at the same location. We are in the process of preparing the labels you requested for the tariff and should have those to you no later than the first of next week. Please do not hesitate to contact me if I can provide any additional information.

I appreciate your cooperation in this matter.

Very Truly Yours,

PENNINGTON, MOORE, WILKINSON
