Re: Aloha Utilities, Inc.
Tariff Revision - Miscellaneous Service Charges
Our File No. 26038.01

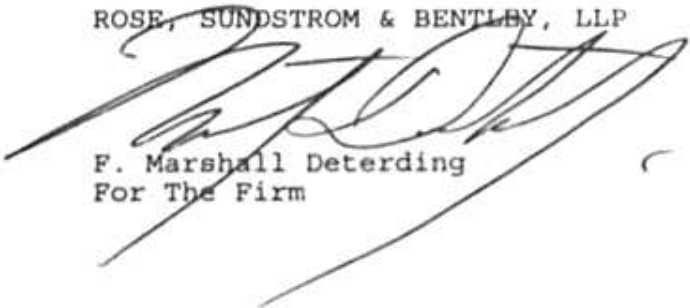

Dear Mr. Hill:

Aloha Utilities, Inc. has for approximately six years had a standard miscellaneous service charge tariff for its Aloha Gardens Sewer System. However, for some reason that tariff suggests that it applies only to the Aloha Garden System and not to the Utility's Seven Springs System where it should be equally applicable. In addition, there is no similar tariff page in the Utility's water tariff for either of the Aloha Gardens or Seven Springs Systems. I am attaching hereto two sets of revised tariff sheets in order to correct this error and to insure that the miscellaneous service charges are equally applicable to both of the Utility's water and wastewater systems.

I have put an effective date of August 15, 1998 on the attached tariffs. I trust that there is no problem with approving these as they utilize the standard model tariff language and charges and those already in the Utility's existing tariff. Should you have any questions or comments in this regard, please let me know. Otherwise hopefully we can get these approved by the stated effective date.

Sincerely,

ROSE, SUNDSTROM & BENTLEY, LLP

F. Marshall Deterding
