Dear Commissioners:

I am a landowner in Marion County, Florida. Recently, I was informed that Florida Water Services, Inc. (FWS) has submitted an application to amend its Marion Oaks water and wastewater service area which includes my land.

I have not been contacted by representatives of FWS nor have I requested service from the utility, but they are attempting to certificate my land. Further, the Marion Oaks system has much higher user rates than other utilities in the county.

I object to the proposed certification amendment to increase the Marion Oaks water and wastewater service area to include my property.

Sincerely,

J. Rex Farrior, Jr.
Owner
