RE: Docket No. 981288-WU - Application of Town & Country Utilities Company to operate a water utility in Charlotte and Lee Counties, Florida

On October 8, 1998, the applicant in this case requested a certificate under an incorrect name: **Town & Country Utility Company** (see document # 11074) The utility was notified about this error. On November 10, 1998, the applicant filed revised information to show its correct name, which is **Town & Country Utilities Company** (see document # 12605). Therefore, please retitle the docket using the correct name.
