 RE: THE IMRON NETWORK, SOUTH - (TE288)

Forwarding a copy (attached) of the regulatory assessment form that I received from Fiscal division for your information and further handling. Ms. Thomason states that the above company was sold on 8-14-98 to Payphones Plus, Inc. d/b/a Imron Network, Inc. We have no certified company under the name that Ms. Thomason is referring to. There is a certified company under the name of Payphones Plus, Inc. (TF537) this could be the company she is referring to and they have changed their name. If this is the case, no docket has been opened by this company requesting a name change.

There has been no docket opened requesting cancellation of The Imron Network, South's certificate. Until a docket is opened and an order is issued canceling their certificate, they will remain an active company.

Thanking you in advance for your help.
