Dear Ms. Isler,

In October of 1997, I applied for a certificate from the Commission to facilitate the operation of a pay phone business. However, I did not purchase the pay phones and I do not intend to operate a pay phone business. I understand that I have been fined for non payment of commission fees for 1997 and 1998. I am requesting that the Commission rescind my certification, rather than impose a fine. I have enclosed the Commission fees including penalties of \$ 120.00
122.80

Thank You for considering my request, as the imposition of the fine would incur undue hardship for myself and my family at this time.

Sincerely,
Andrea Miller
