RE: Docket No. 991010-TX, CPU Solutions Holding Corp. d/b/a CPU Solutions, Financial Analysis for Certificate Application for Alternative Local Exchange Telecommunications Service *WJ*

Section 364.337 (1), Florida Statutes, requires the following:

The commission shall grant a certificate of authority to provide alternative local exchange service upon a showing that the applicant has sufficient technical, financial, and managerial capability to provide such service in the geographic area proposed to be served.

Also Section 364.01 (3) and (4) states that:

(3) The Legislature finds that the competitive provision of telecommunications service, including local exchange telecommunications service, is in the public interest.

and

(4)(d) The Commission shall exercise its exclusive jurisdiction in order to: (d) Promote competition by encouraging new entrants into telecommunications markets . . .

Regarding the showing of financial capability, the Finance staff has analyzed the unaudited financial statements of CPU Solutions Holding Corp. d/b/a CPU Solutions (CPU) for the one month period ending July 29, 1999. An audit could change one's opinion of the company's financial condition. As the attached schedule shows, CPU has adequate liquidity, sufficient common equity and reported a positive net income for the period.
