Dear Mrs. Bayo,

My name is Jose Trujillo and I own a public phone outside of my coffee shop, and I have a problem. I mailed in \$100 to the division of records and reporting. I'm sorry ma'am but I was just trying to propose a contribution in a lieu of a \$500 fine. Sorry for the misunderstanding and I promise this won't happen again. Thank you for your time and cooperation. If you have any questions please contact at me (954) 563-7630 or (954) 772-8850.

Sincerely,
Jose Trujillo
