Re: GT COM Phone Company

Dear Commission, GT COM is without a doubt the most overpriced Phone Company in the state. The fees they charge are outrageous. The area that they provide service is so limited that most of their customers are paying 5-10 times that of customers being served by Bell South. GT COM even charges an additional fee for calls placed inside of their own service area. (In the same county) In addition to the excessively high fees GT COM provides extremely poor services. They don't even have caller id available. I feel that the FPSC should eliminate GT COM so a company that will provide first class service at an affordable price could serve the community. GT COM phone rates and policies have been instrumental in the lack of new businesses opening in the areas that they serve.

Sincerely,

Kevin E. Welch
