In Response to Docket No. 991207-TC

My name is Vernie Spicer and I am responding on behalf of myself and my wife (Shemanne Spicer) to the Commission's order of a violation on our part to report to you our change of address. We did leave a forwarding address with the U.S. Postal Service. However when we found out that all of our mail wasn't being forwarded, I immediately called your records department and asked how to go about sending you our change of address. Then I immediately faxed that information to you. I will enclose a copy of that fax.

We would like to keep our certificate active, but we don't have the money to pay a fine of \$500. We only have 1-payphone presently that brings in revenue to pay for that annual assessment fee that we will have to send in \$50.00 for next month, and it doesn't barely make enough revenue to pay for its own expenses. We also have 3 children and don't have any other income coming in on a steady basis at this time. We hope that you can leave our certificate active and our relationship can continue as it has been in the past.

Thank You!

Vernie Spicer
