RE: Docket No. 990750-TP - Petition by ITC^DeltaCom Communications, Inc. D/b/a ITC^DeltaCom for arbitration of certain unresolved issues in interconnection negotiations between ITC^DeltaCom and BellSouth Telecommunications, Inc.

Staff requests approval to file an addendum to its December 30, 1999, recommendation filed on that date in the above referenced docket. The addendum is Issue 7 which was inadvertently left out of the document when it was prepared for filing. The omission was not detected until after staff's recommendation was filed. Staff has informed the Commission Panel and the parties and believes no one will be harmed by this late filing. Moreover, staff believes that considerable hardship would befall the parties if the Commission panel is not able to vote on this issue along with the rest of the issues in this arbitration proceeding.

Staff regrets any inconvenience this omission has caused. Please feel free to contact Diana Caldwell at (850)413-6175 or Calvin Favors at (850) 413-6560 if you have any questions.
