RE : Item 21 - February 1, 2000 Agenda Conference - Docket No. 991861-TI - Refund of Overcharges by Coastal Telephone Company for Overtiming Intrastate Long Distance Services, and Initiation of Show Cause Proceedings against Cincinnati Bell Inc. (formerly Eclipse Telecommunications, Inc, formerly Coastal Telephone Company) for Coastal's Violation of Rule 25-4.043, F.A.C., Response to Commission Staff Inquiries.

Staff requests that consideration of its recommendation in Docket No. 991861-TI, Item 21 on the February 1, 2000 Agenda Conference, be deferred until the February 15, 2000 Agenda Conference.

Staff learned this morning that Eclipse's Certificate No. 3178 is still active and was not canceled in 1999 as noted in the recommendation. Based on this finding, staff needs to review and possibly modify the recommendation proposed in Issue 2. Staff, therefore, believes that a deferral of this item is appropriate.
