INTERIM TRAFFIC TERMINATION AND BILLING AGREEMENT

This **INTERIM TRAFFIC TERMINATION AND BILLING AGREEMENT** ("Agreement") is effective as provided herein, by and between 2ND Century Communications, Inc., a Delaware corporation, ("2ND CENTURY") and Vista-United Telecommunications, a Florida general partnership ("VISTA") (collectively, VISTA and 2ND CENTURY shall be referred to as the "Parties". "Party" shall be the singular reference to "Parties").

WITNESSETH:

WHEREAS, this Agreement sets forth the provisions under which 2ND CENTURY and VISTA will provide for originating, terminating, and/or transporting "Toll Traffic" (as defined hereinbelow in subsection 2.1.2) and "Local Traffic" (as defined hereinbelow in subsection 2.1.2) between the facilities operated by the Parties. This Agreement also sets forth the terms and conditions for the handling of telecommunications services for which charges are billed and collected by one Party for the other Party;

WHEREAS, this Agreement covers only traffic provided through the use of feature group type C access, feature group type D terminating access, or feature group type D originating access in those cases where either Party is the provider of services selected by an end-user, to the other Party's end offices;

WHEREAS, this Agreement is intended to fulfill VISTA's obligations under subsection 251 (a) of the Communications Act, as amended by the Telecommunications Act of 1996 ("Act"). This Agreement covers only the exchange of Local Traffic and Toll Traffic, which either 2ND CENTURY originates outside of VISTA's certificated service area and terminates inside VISTA's certificated service area; or VISTA originates inside of VISTA's certificated service area and terminates on 2ND CENTURY's network outside of VISTA's certificated service area, as described in each of the Party's respective applicable tariffs on file with the Florida Public Service Commission ("Commission"), and is intended to replicate the arrangements currently existing by and between VISTA and its neighboring incumbent local exchange companies for the exchange of Local Traffic; and

WHEREAS, it is specifically understood and agreed to by the Parties that nothing in this Agreement shall be construed as an attempt to reach agreement regarding matters contained in subsections 251 (b) and (c) of the Act; nor shall any act or omission of VISTA or any provision of this Agreement be construed as a waiver of VISTA's rights under subsection 251 (f) of the Act.

NOW, THEREFORE, in consideration of the mutual obligations as set forth below the Parties hereby agree as follows:

1. EXCHANGES INCLUDED.

1.1. Exchanges Included.

The current exchanges of VISTA covered by this Agreement are shown in Attachment "A", attached hereto and incorporated herein by reference. The current exchanges of 2ND CENTURY covered by this Agreement are shown in Attachment "A", attached hereto.

2. PROVISION OF SERVICE.

2.1. Provision of Service.

The Parties provision of service shall be as follows:

2.1.1. The Parties agree, pursuant to the terms set out herein, to exchange traffic for the purpose of allowing origination and termination of telephone calls between the Parties' end users, including traffic originating from customers of a commercial mobile radio service provider ("CMRSP") and terminating to the Parties' end users, and including traffic originating from the Parties' end users and terminating to customers of "CMRSPs". For purposes hereof, "CMRSP" shall mean a common carrier provider of domestic public wireless or wireless telecommunication service, as defined in Part 22, Subpart H or Part 24 of the Federal Communication Commission ("FCC") Rules and Regulations.

2.1.2. Each Party will plan, design, construct and maintain the facilities within their respective "Systems". These facilities include, but are not limited to, a sufficient number of trunks to the point of connection, and sufficient interoffice and interexchange trunks between its own central offices to adequately handle traffic between all central offices within the service areas. The arrangement of the facility Systems including, but not limited to, routing and the "Meet Point" are shown in Attachment "B", attached hereto and incorporated herein by reference. Attachments "A" and "B", respectively, may change from time to time as a result of changes in exchange boundaries, local calling areas, NXX Codes, or implementation of new NXX codes, and the Party making such changes shall provide timely written notification and details of same to the other Party. For purposes hereof, "Systems" shall mean the exchange and interexchange switching, and transmission facilities that route, switch and transport a Party's Local Traffic and Toll Traffic as are necessary and proper for the provision of traffic covered by this Agreement. For purposes hereof, "Local Traffic" shall mean traffic which originates and terminates within the then current local service area of the Parties, including extended area service and extended calling plan calls between the Parties. Traffic to, and from customers of CMRSP's shall be considered Local Traffic for purposes of this Agreement. For purposes hereof "Toll Traffic" shall mean traffic that is originated by an end user of the other Party and is not Local Traffic. For purposes hereof, "Meet Point" shall mean that point mutually agreed upon by the Parties at which their network facilities are interconnected for the reciprocal exchange of traffic.

2.1.3. The provisioning and engineering of such services and facilities will comply with generally accepted industry methods and practices and the Parties shall observe the rules and regulations of their respective lawfully established tariffs applicable to the services provided. To the extent that 2ND CENTURY requests a design which exceeds VISTA's standard cost, VISTA will provide 2ND CENTURY with such actual cost of such 2ND CENTURY requested design and 2ND CENTURY shall within thirty (30) days of the date of such notification by VISTA of such actual cost: (i) elect to promptly pay all such costs; or (ii) direct VISTA to proceed with the design planned by VISTA immediately prior to VISTA's receipt of such request by 2ND CENTURY. In the event 2ND CENTURY does not so notify VISTA of its election on or before such thirty (30) day election period, it shall be deemed that 2ND CENTURY elected option (i) in this subsection 2.1.3.

2.1.4. The traffic covered by this Agreement shall be routed as indicated in Attachment "B". Any changes in routing shall be coordinated between and agreed upon by the Parties before becoming effective.

3. TRAFFIC RECORDING AND IDENTIFICATION.

3.1. Traffic Recording and Identification.

The Parties traffic recording and identification is as follows:

3.1.1. The traffic recording and identification functions required to provide the services specified hereunder shall be performed by the Parties. Each Party shall calculate terminating minutes of use based on standard automatic message accounting recording made within each Party's network. The record shall contain the appropriate automatic number identification ("ANI") information or service provider information to identify the originating company. The Party originating traffic shall generate and provide the appropriate expanded message record ("EMR") or other agreed upon record format, to the terminating Party. The Parties shall each use commercially reasonable efforts to provide these records monthly, but in no event later than sixty (60) days after generation of the usage data. For purposes herein, "ANI" shall mean the process which identifies the telephone number of the line initiating a call in order to send this information to the automatic message accounting system. For purposes hereof, "EMR" shall mean industry accepted formatted records to be exchanged between local exchange carriers ("LEC") for billing purposes. For purposes hereof, "LEC" shall have the meaning ascribed to it in the Act.

3.1.2. 2ND CENTURY and VISTA agree they will, to the extent feasible, make every attempt to accurately capture and report the actual usage interchanged between them for use in calculating the necessary compensation under this Agreement.

3.1.3. Should actual traffic information (measured in minutes of use) not be available, the Parties will mutually agree on a suitable alternative basis for calculating compensation which most closely approximates the actual interchanged usage.

3.1.4. Each Party shall deliver monthly statements for terminating the other's traffic.

4. COMPENSATION ARRANGEMENT.

4.1. Toll Traffic.

Toll Traffic will be intra local access and transport area ("LATA") traffic where originating or terminating points are within the same LATA. For purposes hereof, "LATA" shall mean local access and transport area as defined in subsection 3(a)(43) of the Act.

4.2. Compensation Arrangement.

The Parties agree to compensate each other for the termination of Local Traffic and intraLATA Toll Traffic pursuant to this Agreement in accordance with the following:

4.2.1. Each Party shall generate a monthly bill for intraLATA Toll Traffic, as applicable, to the other Party for traffic terminating to its end offices.

4.2.2. Compensation for termination of Local Traffic will be by "Mutual Traffic Exchange". For purposes hereof, "Mutual Traffic Exchange" shall mean a form of compensation in which one Party is compensated for terminating the other Party's Local Traffic through the reciprocal termination of its traffic by the other Party.

4.2.3. Compensation for termination of Toll Traffic shall be calculated by applying the access rates set forth in the tariff or price list, filed by or on behalf of each Party with the Commission. As rates change, the latest effective rates will be used. Switched access service is intended to compensate the Parties pursuant to this Agreement, when the Parties provide: (i) loop, drop and associated equipment from the end office to the end user (carrier common line); (ii) end office switching functions (traffic sensitive), local switching including, line termination and intercept (applicable only if the element is included in such Party's intrastate access tariff or price list); and (iii) local transport facilities.

4.2.4. The Parties agree that the following billing percentages apply for the calculation of common transport charges from intraLATA Toll Traffic: For Toll Traffic originating from 2ND CENTURY and terminating to VISTA, the percentage of transport billed by VISTA will be forty six percent (46%) based upon the location of the Meet Point shown in Attachment "B" attached hereto. For Toll Traffic originating from VISTA and terminating to 2ND CENTURY, the percentage of transport billed by 2ND CENTURY will be fifty four percent (54%) based upon the location of the Meet Point shown in Attachment "B" attached hereto.

4.2.5. All compensation payable pursuant to this Agreement for termination of traffic shall be payable within thirty (30) days of the bill date.

5. ALTERNATE BILLED MESSAGES.

5.1. Alternate Billed Messages.

5.1.1. Each Party agrees to provide the other Party billing, collecting and remitting services on "Alternate Billed Messages". Each Party will provide to the other Party the EMR standard formatted record for billing of messages to their end users. These records may be exchanged over centralized message distribution systems ("CMDS"). The CMDS transport system is used by the Bellcore Client Companies ("BCC") and other LEC's (through a sponsor relationship with a BCC) for the efficient transmission and exchange of in-collect and out-collect (intercompany settlement ("ICS") and non-ICS messages) billable records, access usage records, and summary usage records or a tape generated and mailed to the billing company. These records must be exchanged at least monthly. For purposes herein, "Alternate Billed Messages" shall mean messages originating on one Party's facilities that are billed by another company. Alternate Billed Messages include, without limitation, calls that are collect, third number billed and billed to a LEC calling card. For purposes hereof, "CMDS" shall mean a generic term that refers to all applications using the centralized nationwide system for the interexchange of data through a network of private line transmission facilities.

5.1.2. Each Party agrees to remit to the other Party the revenue value of each Alternate Billed Message less a billing and collection fee of \$0.0666 per message.

5.1.3. For purposes hereof, "Unbillable Messages" shall mean messages with respect to which the end user customer account cannot be identified. Unbillable Messages will be the responsibility and liability of the originating company. The billing company shall appropriately account for and return the Unbillable Messages to the originating company pursuant to EMR standard guidelines.

5.1.4. For purposes hereof, "Uncollectible Messages" shall mean messages that are billed to a customer account, however, revenues cannot be collected including, without limitation, messages with respect to which the end user denies all knowledge. Uncollectible Messages shall be the responsibility and liability of the billing company.

5.1.5. Each Party shall promptly furnish to the other Party such information as may be required for monthly compensation purposes. Compensation statements for Alternate Billed Messages will be rendered monthly and remittance in full will be made by the debtor company thirty (30) days thereafter. The Parties hereby agree that if any monthly statement reflects a total amount payable less than Ten and NO/100 Dollars (\$10.00), no payment shall be due with respect to such statement.

6. OPERATOR SERVICES.

6.1. Operator Services.

Each Party will be responsible for maintaining its own customer information in currently available databases used in the provision of miscellaneous intercompany operator services (i.e. local assistance, directory assistance, directory assistance call completion, busy line verification/interrupt).

7. AUDITS.

7.1. Audits.

Each Party will keep adequate records of all collection, payments and other transactions hereunder. Upon thirty (30) days prior written notice, either Party may request an audit of the usage reports or billing data supplied by the other Party hereunder and any such audit shall be accomplished during normal business hours at the office designated by the Party being audited. Audit requests shall not be submitted more frequently than one time per calendar year. Audits may be performed by a mutually acceptable independent auditor paid for by the Party requesting the audit. A request for an audit must be received within one year of receipt of the records or usage reports from the audited Party. Auditors hereunder shall not be compensated on a contingent fee basis.

8. GOVERNING LAW.

8.1. Governing Law.

This Agreement shall be governed by, construed under, interpreted and enforced in accordance with the laws of the State of Florida, and, where applicable, the laws of the United States of America.

9. ENTIRE AGREEMENT; NO OFFER.

9.1. Entire Agreement; No Offer.

This Agreement contains the entire Agreement of VISTA and 2ND CENTURY with respect to the subject matter hereof, and no representations, warranties, inducements, promises or agreements, oral or otherwise, between the Parties not embodied in this Agreement shall be of any force or effect. This Agreement shall be modified only by a written agreement executed by both Parties with the same formalities as this Agreement, except as otherwise provided herein. All prior agreements or communications that are the subject matter of this Agreement are and shall be merged into this Agreement and shall have no force or effect. Neither any submission of this Agreement by one Party to the other, nor any correspondence or other communications

between the Parties in connection therewith, is intended or shall be deemed to constitute an offer of any kind or to create any obligations between the Parties unless and until one or more duplicates of this Agreement has been fully executed and delivered between the Parties. Accordingly, any such submission, communications or correspondence between the Parties or their respective agents or attorneys is intended only as non-binding discussions prior to such execution, and either Party shall have the absolute right to withdraw from such discussions without any liability whatsoever to the other Party prior to such execution.

21.1. Severability.

If any clause or provision of this Agreement is illegal, invalid or unenforceable under applicable present or future Laws effective during the term of this Agreement, the remainder of this Agreement shall not be affected. In lieu of each clause or provision of this Agreement which is illegal, invalid or unenforceable, there shall be added as a part of this Agreement a clause or provision as nearly identical as may be possible and as may be legal, valid and enforceable. Notwithstanding the foregoing, in the event any clause or provision of this Agreement is illegal, invalid or unenforceable as aforesaid and the effect of such illegality, invalidity or unenforceability is that either Party no longer has the substantial and material benefit of its bargain under this Agreement, then, in such event, such Party may, in its discretion, request good faith renegotiation with the other Party of such illegal, invalid or unenforceable provision. If the Parties do not reach agreement on such provision within thirty (30) days of the date of such request, either Party may cancel and terminate this Agreement (if allowable by applicable law) upon providing reasonable advance written notice thereof to the other Party.

22. ACCORD AND SATISFACTION.

22.1. Accord and Satisfaction.

Payment by either Party, or receipt or acceptance by a receiving Party hereto, of any payment due hereunder in an amount less than the amount required to be paid hereunder shall not be deemed an accord and satisfaction, or a waiver by the receiving Party of its right to receive and recover the full amount of such payment due hereunder, notwithstanding any statement to the contrary on any check or payment or on any letter accompanying such check or payment. The receiving Party may accept such check or payment without prejudice to the receiving Party's right to recover the balance of such payment due hereunder or to pursue any other legal or equitable remedy provided in this Agreement.

The Parties consent and submit to the exclusive jurisdiction of any such court and agree to accept service of process outside the State of Florida in any matter to be submitted to any such court pursuant hereto, and expressly waive all right to trial by jury regarding any such matter.
