Re: 000277-WS - Application for transfer of facilities and Certificates Nos. 353-W and 309-S in Lee County from MHC Systems, Inc. d/b/a FFEC-Six to North Fort Myers Utilities, Inc., holder of Certificate No. 247-S; amendment of Certificate No. 247-S; and cancellation of Certificate No. 309-S.

Dear Mr. Varga:

Please accept my sincere apology for inadvertently addressing you in my June 12, 2000 letter as Mr. William Alexander Varga instead of Mr. Alexander William Varga.

As to your statement that "I find it unconscionable that you should provide my potential adversary with any information directed towards me", Mr. Friedman's client, North Fort Myers Utilities, Inc., is a party to this matter and as such, is entitled to copies of all correspondence filed in the docket. If your protest is accepted by the Commission, you will be given party status and will also be entitled to copies of correspondence filed by any other party and/or by staff. Furthermore, I copied the Division of Regulatory Oversight because the Commission has recently completed a reorganization of its technical divisions and the Division of Regulatory Oversight now handles certification matters.

In closing, I would advise you to contact the Commission's Division of Consumer Affairs should you have any questions concerning the Commission's organizational structure and the responsibilities of each division. Additionally, I can be reached at (850) 413-6185 and will be glad to answer any questions you may have in this matter.

Sincerely,

D. Tyler Van Leuven
Staff Attorney
