In re: Petition for limited proceeding to implement two-step increase in wastewater rates in Pasco County by Lindrick Service Corporation.

DOCKET NO. 000756-SU FILED: July 14, 2000

CITIZENS AMENDMENT TO MOTION TO SHOW CAUSE

The Citizens of the State of Florida, through their attorney, the Public Counsel, pursuant to Section 350.0611, Florida Statutes, hereby file this amendment to their Petition for Show Cause filed on June 21, 2000. The Citizens submit:

1. The nature of this amendment is two-fold. (1) The Citizens intend to withdraw from their Petition the issue of Lindrick Services Corporation's (Lindrick) alleged delinquency in its payments to the City of New Port Richey for water. (2) The Citizens seek to have the remaining issue consolidated with Docket No. 980242-SU.

DELINQUENCY OF PAYMENTS

2. In its initial Petition, the citizens alleged as an issue of material fact that Lindrick was delinquent in its payments to New Port Richey. Subsequent to that filing, the Citizens have been satisfied that Lindrick has now met its obligations to New Port Richey and is current in its payments for water. Accordingly, the Citizens no longer seek the Commission to require Lindrick to show cause why it should not be fined for its delinquency in its payments for water.

CONSOLIDATION WITH DOCKET NO. 980242-SU

3. Notwithstanding the amendment reflected in paragraph 2, above, the Citizens continue to seek the Commission to require Lindrick to show cause why it should not be fined for violations of the

contractual threshold of chloride concentration for wastewater that New Port Richey treats for Lindrick. Since this issue involves wastewater only, the Citizens believe that it could be suitably considered in Docket No. 980242-SU, rather than continuing with a separate docket. The Citizens therefore suggest the Commission consolidate this docket with Docket No. 980242-SU, and consider the remaining issues in the Petition for Show Cause within the scope of that docket.

WHEREFORE, the Citizens of the State of Florida amend their Petition for Show Cause consistent with the changes described herein

Respectfully submitted,
