Diana, did you respond to this by agreeing with David that the documents could be returned? I seem to recall getting an e-mail from you, but I cannot locate it. Can you send/re-send a response indicating it is okay to return these documents?

Thanks.

Kay

I just received BST's memo; the documents can be returned. Do you need a memorandum from me memorializing this? Or this email sufficient? Just let me know and will handle.

We received a letter from BellSouth on 7/21 requesting return of documents granted confidentiality by Order PSC-99-0105-CFO-TP, because this docket is closed and the 18-month confidential period was to expire on 7/22. The documents in question are 14624-98 and 00612-99.

Please respond to this e-mail and advise if the documents can be returned to BellSouth.
