RE: Revised Recommendation for Docket No. 991437-WU - Application for increase in water rates in Orange County by Wedgefield Utilities, Inc.

Pursuant to the attached Memorandum to Dr. Bane, staff has obtained permission to revise the recommendation filed in the above-referenced docket on October 26, 2000, without resulting in an automatic deferral of the item from the November 7, 2000, agenda conference.

Upon internal legal review, I have directed staff to change their recommendation on Issue 1 as follows:

- Page 3 Staff's recommendation is changed to deny the utility's Motion to Strike and Dismiss.
Pages 7-8 Staff's analysis is changed to support denying the Motion to Strike and Dismiss. The analysis to grant the Motion to Strike and Dismiss is deleted.

Attached is staff's revised recommendation which delineates staff's revisions in type and strike format. Please file this revised recommendation today. Please feel free to call me if you have any questions.
