BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have applied for certificates to provide Interexchange Telecommunications (IXC) service. Upon review of their applications, it appears that these entities have sufficient technical, financial, and managerial capability to provide such service, as required under Section 364.337(3), Florida Statutes. Accordingly, we hereby grant each of these entities the certificates depicted below, which shall authorize them individually to provide IXC services.

IXC providers are subject to Chapter 25-24, Florida Administrative Code, Part X, Rules Governing Telephone Service Provided by Interexchange Telephone Companies. IXC providers are also required to comply with all applicable provisions of Chapter 364, Florida Statutes, and Chapters 25-4, Florida Administrative Code.

In addition, under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual Regulatory Assessment Fee (RAFs) of \$50 if the certificate was active during any portion of the calendar year. Neither the cancellation of its certificate nor the failure to receive a RAFs Return notice shall relieve any of these entities from its obligation to pay RAFs.

Based on the foregoing,

ORDERED by the Florida Public Service Commission that we hereby grant, to the entities listed herein, certificates to provide Interexchange Telecommunications service, subject to the terms and conditions stated in the body of this Order. It is further

ORDERED that this Order shall serve as each entity's certificate and should, therefore, be retained by these entities as proof of certification. It is further

ORDERED that any protest to the action proposed herein shall specify the entity or entities to which it applies. It is further
