Ok, so we will open a new docket on this one. Thanks Kathleen.

Linda, as a general rule we cannot amend an Adopted agreement until the agreement has been adopted officially. From what I understand any amendments that come up before the adoption has been approved have to be filed as a separate docket until the previous adoption (000261-TP) is approved.

Thanks Linda.

-----Original Message-----From: Linda Williams Sent: Tuesday, April 11, 2000 3:03 PM To: Kathleen Arant Cc: Kimberley Pena; Beth Keating Subject: 000261-TP

Kathleen, we have a supplemental interconnection agreement between GTE and Allegiance and they are referencing Docket 000261-TP. Is this a new docket or put this in the existing docket?

Thanks Kathleen.

Yes. That adoption is not slated for consent agenda for another month and since it has yet to be approved as is we have to open all supplements as new dockets until it is approved. THANKS Linda.

Kathleen, I went back and looked in CMS and I do see a memo recommending approval but no order. So we still need to open a new docket right?
