A completed CASR is forthcoming. Note that upon review of the CASR filled out previously, it turns out that we didn't initial it and submit it because we met with BellSouth to formally resolve this one. BellSouth has since responded to all of our requests (well, except for inquiry 7 which BellSouth has addressed partially). Diana, I'm reviewing the 1000+ pages and will have a letter written by this Friday, i.e., if I can get my hands on the following confidential information for comparison purposes. It's my understanding that I'll be given access to this info once a CASR is filed with the assigned staff members officially identified, i.e., you as OPR and me as OCR. I'll print the CASR and come see you.
