Re: Docket No. 001492-TX

Dear Mr. Uweyda:

TX 358

This is a follow up to our telephone conversation concerning the above docket. The regulatory assessment fee (RAF) is due each year by January 30 for the previous year, unless the 30th falls on a weekend, then the due date is the next working day. For example, the 1999 fee was due January 31, 2000.

Commission records show that as of this date, the 1999 RAF has not been paid. The 1999 RAF return is attached. Please complete and return it along with your check for the past due amount in full. The RAF is .0015% of your total Florida gross revenues, or \$50.00, whichever is greater. However, if you owe only the minimum amount and if it is postmarked by January 25, 2001, the 1999 total is \$68.50 (\$50.00 fee, \$12.50 penalty, and \$6.00 interest).

Since the Commissioners have not yet voted on this docket, you have three options.

- (1) Cancel the certificate voluntarily - Pay all past due charges in full, pay the

Dear Mr. Uweyda:

TX358

This is a follow up to our telephone conversation concerning the above docket. For example, the 1999 fee was due January 31, 2000.

Since the Commissioners have not yet voted on this docket, you have three options.

- (1) Cancel the certificate voluntarily - Pay all past due charges in full, pay the current year's RAF or provide a date certain that it will be paid (such as 30 days from the date of the Commission Order cancelling your certificate), and write a letter requesting cancellation. A copy of our rule is attached.
- (2) Do nothing - In this case, your certificate will be cancelled on the Commission's own motion. All outstanding RAFs, including penalty and interest charges, will be turned over to the Comptroller's Office for collection.
- (3) Propose a settlement - There is normally a \$500 fine imposed for this rule violation. It should be noted that just paying the past due amount will not prevent your certificate from being cancelled. You need to write the Commission a settlement letter that must include the following:
