**Re: JTC Communications, Inc.
Certificate No. 7029**

Dear Mr. Shastid:

This is a follow up to your recent letter in which you requested cancellation of your alternative local exchange telecommunications certificate. There are two types of cancellation. The first is voluntary and is requested by the certificate holder. The Commission grants voluntary cancellations if a company is in good standing and has no outstanding balance of the Regulatory Assessment Fee. The other is involuntary. This is where the Commission cancels a certificate for a rule violation, such as not paying the Regulatory Assessment Fee. If the Commission cancels a certificate involuntarily, any unpaid fees, including penalty and interest charges, are forwarded to the Comptroller's Office for collection attempts. I'm enclosing a copy of Rule 25-24.820, Florida Administrative Code, for your review.

The Regulatory Assessment Fee is owed if a certificate is active for any day during a calendar year. Although you may have gone out of business in September 2000, the Commission was not advised, therefore, the Regulatory Assessment Fee is owed for the year 2000. In addition, our records show that you have a \$6.00 penalty and interest balance for the 1999 RAF, breakdown attached. Since we received your request for cancellation on December 27, 2000, I will make that date the effective date of the cancellation if your payment for the 2000 fee is postmarked by January 30, 2001. It should be noted that if your payment is postmarked after January 30, penalty and interest charges will apply.

Please let me know by January 30 how you wish to proceed. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, and by internet e-mail at pisler@psc.state.fl.us.
