Dear Mr. Hill:

Re: Year 2001 ILEC Local Competition Report Follow-up Data Request

As requested in your letter dated September 7, 2001, attached are Verizon Florida Inc.'s responses to Staff's request for competitive data at the central office rather than the exchange level. Please be advised that the responses are proprietary and are being filed under a claim of confidentiality as specified in Chapter 364.183, F.S. and Commission Rule 25-22.006(5). The confidential data contains the number of resold residential and business lines and unbundled loops by central office by ALEC. Verizon believes the ALECs would consider this information highly competitive.

Should you require additional information, please contact Linda Rossy at (813) 483-2525.

Sincerely,

Michelle A. Robinson
