RE: Docket No. 011245-TX

Dear Ms. Bayo,

Please find attached Williams Local Network, LLC, Alternative Local Exchange Company Regulatory Assessment Fee Return for the year 2000. Docket Number 011245-TX was assigned due to non-payment. The Form was mailed on April 3, 2001, along with a check, but the check was apparently returned by the post office to our Accounting Department. At that time, the check was voided. Williams Local Network sincerely apologizes for this occurrence, and has taken the necessary actions to ensure that all reporting requirements are submitted in a timely fashion. In the future, Williams plans to send all reporting forms and payments by certified mail or Federal Express.

Williams Local Network agrees to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however there is a factual dispute as to the manner or level of compliance with any provision in the settlement, Commission staff will bring the matter to the Commission for consideration. Please accept the settlement offer of \$100.00 (one hundred dollars) from Williams Local Network to remain in compliance with Florida Commission Rules.

Also enclosed is a check for \$70.00, which covers to amount of the Regulatory Assessment Fee with the penalty and interest charges included.

If you should have any questions regarding this correspondence, please feel free to contact me by phone at (918) 547-3734 or by email at <u>Leigh.Roderick@wcg.com</u>.

Sincerely,

Leigh Roderick Regulatory Affairs

Wigh Rodewck
