I guess you could say RAR "opened this in error." Do we need to do a memo to close it?

Kay, cancel docket 010086-TI please. Docket 010025-TI is the same and I have already written a recommendation for the 2/08/01 agenda. Thanks

#### Thanks.

Tommy, we opened the first docket and then opened the second on Monday. Nonnye just noticed that they are very similar—in fact, they may be the same.

Can you take a look and let us know?

We will need to have that second one closed if it really is identical to the first.

Jackie, do you know who will be assigned to this docket? We need to ask a question about it and how it might be similar to or the same as another docket we just opened on Monday, Docket 010086.

Thanks.

Kay
