Thanks, Kim Logue!

It would be extremely helpful if Bell filed a clarifying/correcting letter, as Tanya offered to do.

Kim:

That's what I get for using "form" letters. The first agreement filed for Preferred Carrier was a Resale agreement. This agreement supercedes that agreement. This is an interconnection, unbundling, Resale and Collocation agreement and it supercedes the resale agreement. So it should not be called a renegotiated agreement, Right? Docket 010034 in the RE is a typo left from using the "form" letter. It's hard to be perfect when you have so much to do. Sorry for confusing everyone. Shall I retype the transmittal and leave Docket no. out of the RE and just say Approval of the Interconnection, Unbundling, Resale and collocation Agreement......etc. Should I still refer to the Resale agreement in the first paragraph?

I scanned you a copy of the transmittal letter, please help me straighten out my mess.

Subject: new docket 010243-TP - help needed!

Good morning.

BellSouth has filed (1) a renegotiated agreement with Preferred Carrier Services and (2) an amendment of the agreement to change Preferred's name. I'm going to put the two filings in one docket and reflect both in the docket title.

The problems are:

1. Cover letter of renegotiated agreement filing refers to dkt 010034 which is completely unrelated.

2. "Re" in cover letter says renegotiated interconnection, unbundling, resale, and collocation, while body of letter does NOT refer to collocation. Body references 970768-TP where a RESALE only was approved.

What kind of agreement was filed? I will set it up as resale only, only because the letter references 970768, where a resale agreement was approved. Once you have a chance to review the filing, please let me know what needs changing in the docket title.

Thanks.

Kay
