RE: Certified Mail for US Paytel Inc.

You have erroneously mailed our company a document intended for US Paytel Inc. This letter is to notify you that US Paytel Inc. does not do business at this address. We can understand your confusion as the names are very similar. Please note that our company is US Paytel Optima LLC, not US Paytel Inc. I have addressed this same matter previously over the telephone, but it appears that it was not taken care of. This time I am handling the matter through written correspondence. Please make the necessary change.

The only information I have regarding US Paytel Inc. is a possible address.

Kim, I apologize. Evidently I did not keep that e-mail (if we discussed via e-mail). I will give this e-mail to Hong, ask her to update the mailing address in the current docket with the address in the certificating docket, and we will re-send this order today.

Kay, I asked you to use the address found under parties of record in the application for certificate docket. Please send the reissued order to this address and ask the other to please disregard what he's going to get.

The PAA order was reissued in this docket yesterday. However, I was just informed by Nonnye that it actually went to the OLD address (address is same in CMS and MCD) because we have never been given any updated address info. IS there any updated address info?
