Yes. It would be considered a new class of service.

Subject: "New service classification tariff filing for Utilities, Inc.

of Florida, Pasco County, Buena Vista"

Troy, we received a letter today from Justine Silvey at Utilities Inc. enclosing original sheet 18.3D and schedule showing current and proposed consumption, dwelling units, and revenues for Buena Vista subdivision.

Letter says 2 new customers wish to be served by system; 1 customer will require 2" metered general water service and 1 requires 1" metered general irrigation water service.

My question is: Do we open a docket on this?
