020614-TP - BST/Coral Telecom - IURC, missing sheet

Importance:

High

Okay, as we discussed yesterday, the page is missing from the hard copy you dropped off here. The electronic version of the spreadsheet has shown alternately 353 pages (yesterday), and NOW 325 pages. The hard copy filed shows 352 pages.

On the hard copy we have, there are two sets of page numbers. The first number appears to indicate the number of pages in the complete document and the second set appears to be the sheet numbers for the spreadsheet. The page specific information we are missing is: Document numbering page 464 of 846, and Spreadsheet numbering page 334 of 352.

I have printed the entire spreadsheet (from the online file with 325 pages) and the information from the missing page appears on sheets 308 and 309 of 325. I'm at a loss on what to do.

Since I don't know the time constraints for you, I'm going to revise the CASR and change the memo and closing dates to October 3 and 4, respectively. If more time is needed to retrieve the sheet, please let me know soonest so I can revise the CASR appropriately.

Thank you,

Jeff Bates
