Yes, Marilyn Edgley is one of the owners of Edgewood Estates. She wanted help with a small system exemption about this time last year. Could never reach her by phone and, as far as I know, she never responded to Dan Hoppe's October 10th letter requesting she call.

Go ahead and open a docket to transfer the water facilities to Lake City and to cancel Certificate No. WU-063. Once Patti gets the electronic filing, she will assign someone to verify the transfer and get the information necessary to cancel the certificate.

Pat, we received today a letter from Marilyn Edgley of this utility stating they gave the water system to the city of Lake City on 7/17 and "they are taking over the system immediately."

Do we want to open a docket? Will we try to have the company (for which I can't even find a related docket!!) complete and submit a "sale to govt entity" app form?

Kay
