Dear Ms. Isler,

Pursuant to our telephone conversation today, I am writing to inform you that Essential.com, Inc., ceased operating on August 10, 2001. It has had no need for its interexchange carrier and alternative local exchange carrier certificates from and after that time. I am counsel to the Plan Trustee of the Debtor, which filed for bankruptcy relief on June 29, 2001, in the United States Bankruptcy Court for the District of Massachusetts (Case No. 01-15339). A plan of liquidation was confirmed in this case in December, 2001, and any claims of the Florida Public Service Commission would be barred as they were not asserted prior to the relevant bar date. Consequently, please write off any unpaid balance.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely,

Alex Mattera

RE: essential.com, inc. (TJ320 and TX402)

Dear Mr. Mattera:

Documents we have received show that you are the attorney for Mr. Charles A. Dale III, Plan Trustee, and I'm hoping you can assist me. Florida Public Service Commission records show that essential.com, inc., which holds IXC Certificate No. 7314 and ALEC Certificate No. 7342, filed for Chapter 11 bankruptcy protection in 2001.

On March 12, 2003, Ms. Kathy Deschambault with United Systems Access Telecom, Inc. advised us that the Plan Trustee designated Donald Swanson the contact for essential.com. I wrote Mr. Swanson a letter on the same date asking him to request cancellation of essential.com's two certificates if it no longer existed and had need for the certificates and ask that any unpaid Regulatory Assessment Fees be written off, copy enclosed. As of this date, we have not heard back from Mr. Swanson.

I would appreciate any assistance you can provide. If you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, by internet e-mail at pisler@psc.state.fl.us, or at the address below.

RE: essential.com, inc. (TJ320 and TX402)

Dear Mr. Swanson:

Ms. Kathy Deschambault with United Systems Access Telecom, Inc. wrote the Commission and stated that her company is receiving our mail addressed to essential.com, inc. She stated that essential.com, inc. no longer exists and asked us to remove them from our records. She provided your name, address, and telephone number as the contact for that company.

Currently, essential.com, inc. holds both interexchange carrier and alternative local exchange carrier certificates in Florida. If that company no longer exists, could you please write the Commission and request cancellation of the certificates due to the bankruptcy. In addition, you can request that the Commission write-off any unpaid Regulatory Assessment Fees due to the company's inability to pay them because of the bankruptcy. I am enclosing a copy of the cancellation rules.

Let me know if you have any questions. In the meantime, if you have any questions, just let me know. I can be reached at (850) 413-6502-voice, (850) 413-6503-fax, by internet e-mail at pisler@psc.state.fl.us, or at the address below.

Essential.com went through bankruptcy in 2001. They no longer exist. United Systems Access Telecom, Inc. managed their accounts until such time as we were accepted in each state and granted certificates as resellers. Once granted authority, the customer base was transferred to us.

Essential.com was never located in ME. You have our address with their name. They should be removed as they no longer exist.

RE:

IXC Certificate (TJ320) and ALEC
Certificate (TX402)

The Commission recently mailed out the Requests for Updated Reporting Requirements forms. The form was returned by essential.com, inc. with a hand-written note on the form, which stated "out of business." Attached was a copy of a bankruptcy "Notice of entry of order confirming plan of liquidation dated November 2, 2001." Based on this, it appears that the company has ceased operations and we believe that essential.com would no longer have any need of its certificates in Florida.

Would you please request cancellation of essential.com, inc.'s two certificates? Once we have received the request, we will initiate a docket to seek approval from our Commission for bankruptcy cancellation of essential.com's IXC and ALEC certificates. We will also request permission for the Commission to write-off the Regulatory Assessment Fees owed by essential.com, inc. However, we need your request to proceed.

Please reply at your earliest convenience. Thanks.

Hi. Nonnye, I got your 3/25 memo concerning the bankruptcy notice you received (Document #02828-03) and agree with your findings.

Ruth, I will write the company and ask if we can cancel both certificates due to the bankruptcy since someone wrote "out of business" on Nonnye's MCD information sheet. I'll let you know if I get a response.

Thanks.

RE: Bankruptcy Notice

Attached is a bankruptcy notice filed on behalf of Essential.com, inc., Document No. 02828-03, received 3-25-03 for your information, review and verification.

I found the following companies listed in MCD and they are currently marked as being in bankruptcy:

1. essential.com, inc. - TJ320 and TX402 (both active)

Please advise if this is correct and if you find any other company(ies) that should be marked accordingly. For your information this notice was returned with the "update letter" request that I recently mailed out. The envelope had no return address and the MCD update information sheet had "out of business" marked on it, which was not signed nor dated.

Thanks for your help.

Was there a letter attached requesting cancellation, or just notice that the company has filed for bankruptcy? If it is the latter, then, it should just be filed in undocketed and there is nothing to research on my part. If, however, the company requested cancellation, then I need to open a docket.
