Re: Petition of Tampa Electric Company for Approval of Extending the Pilot Green Energy Rate Rider and Program; FPSC Docket No.030959-EI

Dear Judy:

This will follow up your indication that the cancellation of a Commission agenda in November has necessitated the postponement of Commission action on the company's petition in this docket until the December 16, 2003 Agenda Conference. On behalf of Tampa Electric we waive the 60-day period set forth in Section 366.06(3) for Commission action under the File and Suspend Law to enable this matter to be presented for Commission consideration at the December 16 Agenda Conference.

Sincerely,

James D. Beasley
