**SPRINT'S OBJECTIONS TO STAFF'S THIRD
SET OF INTERROGATORIES (NOS. 57-76)**

Sprint-Florida, Incorporated ("Sprint"), pursuant to Rule 28-106.206, Florida Administrative Code, and Rules 1.280 and 1.340, Florida Rules of Civil Procedure, hereby files the following General Objections to the Staff of the Florida Public Service Commission's ("Staff's") Third Set of Interrogatories (Nos. 57-76) ("Interrogatories"), dated November 5, 2003.

The objections stated herein are preliminary in nature and are made at this time to comply with the 5-day requirement set forth in Order No. PSC-03-0994-PCO-TL, issued September 4, 2003, at pages 3 and 4. Should additional grounds for objection be discovered as Sprint prepares its responses to the above-referenced interrogatories, Sprint reserves the right to supplement, revise, or modify its objections at the time it serves its responses.

GENERAL OBJECTIONS

Sprint makes the following general objections to Staff's Third Set of Interrogatories (Nos. 57-76). These general objections apply to each of the individual interrogatories, respectively, and will be incorporated by reference into Sprint's answers when they are served on Staff.

1. Sprint objects to each interrogatory to the extent that such interrogatory seeks information which is beyond the scope of discovery permitted in this proceeding as set forth at

Section 364.164, subsections (3) and (4), Florida Statutes, or seeks information which is beyond the scope of those issues the Legislature has determined are to be considered by the Commission in this proceeding, or is beyond matters contained in Sprint's testimony and exhibits addressing those same issues.

2. Sprint objects to the interrogatories to the extent they seek to impose an obligation on Sprint to respond on behalf of subsidiaries, affiliates, or other persons that are not parties to this case on the grounds that such interrogatories are overly broad, unduly burdensome, oppressive, and not permitted by applicable discovery rules.

3. Sprint objects to the interrogatories to the extent that are intended to apply to matters other than Sprint's Florida intrastate operations subject to the jurisdiction of the Commission. Sprint objects to such interrogatories as being irrelevant, overly broad, unduly burdensome, and oppressive.

4. Sprint objects to each and every interrogatory and related instructions to the extent that an interrogatory or instruction calls for information that is exempt from discovery by virtue of the attorney-client privilege, work product privilege, or other applicable privilege.

5. Sprint objects to each and every interrogatory insofar as the interrogatories are vague, ambiguous, overly broad, imprecise, or utilize terms that are subject to multiple interpretations but are not properly defined or explained for purposes of these interrogatories. Any answers provided by Sprint in response to the interrogatories will be provided subject to, and without waiver of, the foregoing objection.

6. Sprint objects to each and every interrogatory insofar as it is not reasonably calculated to lead to the discovery of admissible evidence and is not relevant to the subject matter

of this action. Sprint will attempt to note in its responses each instance where this objection applies.

7. Sprint objects to providing information to the extent that such information is already in the public record before the Commission.

8. Sprint objects to Staff's interrogatories, instructions and definitions, insofar as they seek to impose obligations on Sprint that exceed the requirements of the Florida Rules of Civil Procedure or Florida Law.

9. Sprint objects to each and every interrogatory insofar as any of them are unduly burdensome, expensive, oppressive, or excessively time consuming as written.

10. Sprint objects to each and every interrogatory to the extent that the information requested constitutes "trade secrets" which are privileged pursuant to Section 90.506, Florida Statutes. To the extent that Staff requests proprietary confidential business information which is not subject to the "trade secrets" privilege, Sprint will make such information available in accordance with the Protective Order sought by Sprint in this docket, subject to any other general or specific objections contained herein.

11. Sprint is a large corporation with employees located in many different locations in Florida and in other states. In the course of its business, Sprint creates countless documents that are not subject to Commission or FCC retention of records requirements. These documents are kept in numerous locations that are frequently moved from site to site as employees change jobs or as the business is reorganized. Therefore, it is possible that not every document has been identified in response to these requests. Sprint will conduct a search of those files that are reasonably expected to contain the requested information. To the extent that the interrogatories

purport to require more, Sprint objects on the grounds that compliance would impose an undue burden or expense.

SPECIFIC OBJECTIONS

In addition to the foregoing general objections, Sprint raises the following specific objections to the following individual interrogatories. As noted previously, should additional grounds for objections be discovered as Sprint prepares its responses to the above-referenced interrogatories, Sprint reserves the right to supplement, revise or modify its objections at the time it serves its responses.

- 66. As of end-of-year 1996, 1997, 1998, 1999, 2000, 2001, and 2002, what percentage of Sprint's residential end users subscribed only to basic local telephone service?**

Sprint-Florida objects to Staff's Interrogatory No. 66 on the grounds that this interrogatory requires Sprint-Florida to search for and compile seven years of data. Searching for and compiling seven years of data is overly broad and unduly burdensome. Sprint-Florida will limit its answer to the most recent data that is readily available.
