We also found that the first "c" in "clertech" should be lower-cased. We're fixing that also.

The title of this order indicates it is denying an IXC application--it should be ALEC. Remainder of the order appears to be ok. We will correct the order title and issue the order.

I was contacted around the 19th or 20th by Mr. Manetirong Clervrain, General Manager of Clertech.com.inc and was advised he had received the notice that his application was denied and he wanted to know what we needed. I advised him of the letter mailed to him in October and the several e-mails to him concerning his Sec. of State filing and the need for proforma financial statements that were never answered. He said he was sorry but had misplaced them somehow but was going to get the information to us. He again called Tuesday and asked if I had received the letter he had mailed and I informed him I had not. He also informed me he was going to supply us with the information needed to be granted a certificate. I informed him that the application was denied and the docket was closed, however if he wanted to send the information in I would see about the possibility of opening a new docket, but it depended on the receipt of the necessary information.

It is my opinion that we leave the docket closed until we receive this information and then we can reopen and go forth. If we don't get the information then nothing is lost.

FYI, we were given a letter yesterday (2/26) that had been stamped in to Consumer Affairs on 2/24/03. The letter is from Clertech.Com and is addressed "to whom it may concern" and states ". . . we will send all the documentation required by public service commission in order to provider (sic) alternative local services. We will work harder this week to have all that information from other Company that we will resell the service for: . . ."

The letter was stamped with DN 01982-03 and we're placing it in the closed docket.

Please advise if the docket should be reopened.
