MCI'S REQUEST FOR CONFIDENTIAL CLASSIFICATION

MCImetro Access Transmission Services, LLC and MCI WorldCom Communications, Inc. (hereinafter, "MCI"), pursuant to section 364.183, Florida Statutes, and Rule 25-2.006, Florida Administrative Code, requests confidential classification of certain data previously filed in this docket pursuant to a claim for confidentiality. In support of this request MCI hereby states:

1. On February 4, 2004, the Florida Competitive Carriers Association (hereinafter "FCCA") filed in the above-captioned proceeding the Surrebuttal Testimony of Gary Ball. Ball's Surrebuttal Testimony had attached exhibits that contained confidential proprietary business information about MCI, namely, Confidential Exhibits GJB-4A, 4C, 4F, 5A and 5D. When FCCA filed Ball's Surrebuttal Testimony, it filed the appropriate corresponding Claim for Confidential Treatment, in accordance with Rule 25-22.006(5) and section 364.183(1), Florida Statutes.

2. MCI hereby files this Request for Confidential Classification, in accordance with Rule 25-22.006(4), Florida Administrative Code, for Confidential Exhibits GJB-4A, 4C, 4F, 5A and 5D. The public and redacted copies required by Rule 25-22.006(4) are not being filed at this time as they were filed with the claim filed on February 4, 2004.

3. The information for which confidential classification is requested reveals confidential and proprietary business information. Specifically, the information includes:

(a) GJB-4A includes information from MCI's Response to the TRO Data Request;

(b) GJB-4C includes information from MCI's Response to the TRO Data Request;

(c) GJB-4F includes information from MCI's Response to the TRO Data Request;

(d) GJB-5A includes information from MCI's Response to the TRO Data Request, such as dedicated transport data for MCI, including wire center names and CLLI codes;

(e) GJB-5D includes information from MCI's Response to the TRO Data Request.

5. The information contained in Confidential Exhibits GJB-4A, 4C, 4F, 5A and 5D provides detailed information from MCI's response to the TRO data request, including information about MCI's raw dedicated transport data. MCI considers such information to be trade secrets and proprietary, confidential business information which, if disclosed, would be of benefit to competitors and cause harm to MCI and its customers. Such information provides MCI an economic benefit, and is not known or readily ascertainable to other persons. Such information is economically valuable to MCI and its competitors, and MCI treats such information as confidential and maintains many processes and procedures to maintain its secrecy.

6. A trade secret is defined in section 688.002(4), Florida Statutes, the Uniform Secrets Act, to mean:

[I]nformation, including a formula, pattern, compilation, program, devise, method, technique, or process that:

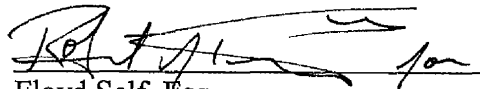

(a) Derives independent economic value, actual or potential, from not being generally known to, and not be readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use; and

(b) Is the subject of efforts that are reasonable under the circumstances to maintain its secrecy.

The information at issue fits plainly in this definition as set forth above. Accordingly, the Commission should grant the request for confidential treatment and find in the information contained in Confidential Exhibits GJB-4A, 4C, 4F, 5A and 5D to be confidential and exempt from section 119.071(1), pursuant to section 364.183(3)(a) and (e).

WHEREFORE, based on the foregoing, MCI respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an Order declaring the information described above to be confidential, proprietary business information that is not subject to public disclosure.

Respectfully submitted,
