It is the same as near as I can tell and we are probably going to have to close the later one.

I'll ask Jackie and Tommy by cc: to let us know for sure, whether or not both dockets are for the same action, and we'll take it from there.

Kay, I know that you are busy, but could you check and review dkt. 040265-TI opened 3-25-04 with the one that you opened yesterday dkt. 040356-TI. It appears to be the same (company,) request for name change on IXC registration TJ656. Didn't want the new dockets to get to far ahead of this number, in case you could reuse the number. Thanks, N
