RE: Memorandum to File for Clarification of Records

Document number 07062-04, in the above-referenced docket, was assigned to BellSouth (Meza) Redacted version of confidential document number 07061-04. However, this “redacted” version actually contained confidential information, so was not scanned and made a part of the electronic record. BellSouth was advised of this error and replaced this document with document number 07182-04, which was filed on 06/30/04.
