Re: Docket No. 040000 – Response to FPSC Data Request for 2003 Legislative Report on Telecommunications

Dear Ms. Bayo:

Please find enclosed the following versions of FDN Communications' ("FDN") Response to the Year 2004 Local Competition Report Data Request:

- One (1) full (confidential) version of the report with data tables and FCC Form 477 (with confidential data highlighted)
• Two (2) public (redacted) versions of the report with data tables and FCC Form 477 (redacted)
• A disk containing a public (redacted) and full (confidential) version of the report with data tables and FCC Form 477

Please be advised that pursuant to Rule 25-22.006(5), Florida Administrative Code, FDN claims confidentiality over certain portions of FDN's responses to the Commission Staff's data requests. The identified information contains proprietary investment, market deployment, customer location information and competitive interest information. This information is valuable, is used by FDN in conducting its business, and FDN strives to keep it secret. Therefore, such information relates to competitive interests of FDN, the disclosure of which would impair the competitive business of FDN. This information contains information that FDN strives to keep secret because it is elemental to FDN's business and status in the competitive market place. Therefore, such information is a trade secret.
