In re: Docket No. 040450-WS, Application of Indiantown Company, Inc.
for Increased Water and Wastewater Rates in Martin County

Dear Ms. Bayo:

Indiantown Company, Inc., through its undersigned attorney, requests an extension of time within which to file its Petition for Increases of the Water and Wastewater Rates and Charges of the Company, along with the Minimum Filing Requirements (MFRs). The Company requests an additional 30 days to make its filing, which would necessitate filing before the close of business on September 1, 2004. The Company has calculated the date by adding 30 days to the previous filing date of August 2, 2004, ordered in the Test Year Approval Letter, dated June 3, 2004.

The Company has discussed this request with Commission staff, and the Company believes that the staff has no objection to this request.

Along with this request to extend the time for filing, the Company submits the filing fee of \$7,000.00 that the Company has determined is the appropriate filing fee for this case.

Thank you for your attention to this request.
